

# More than 15,000 MDC students earn degrees during 2019-20 academic year

By **Community News Releases** - December 29, 2020

More than 15,000 graduates from Miami Dade College's (MDC) eight campuses earned degrees during the 2019-20 academic school year, demonstrating unwavering dedication and hard work as they completed their studies amid a global pandemic. A portion of those students received their diplomas at five commencement ceremonies on Saturday, Dec. 12.

This photo was taken during the ceremony at the Kendall Campus.
